HAMILTON ORTHODONTICS

Retainer Protection Program

A Beautiful smile is one of the best investments you can make! Now that you have chosen to invest in your smile, we want to help you protect that investment. As part of the normal aging process, teeth can shift whether you had orthodontic treatment or not. Therefore, protecting your smile requires a strong commitment to long-term retention. It is important to understand that retainers are not meant to last a lifetime. Normal wear and tear will happen or they may be lost or damaged due to neglect. To provide peace of mind and help protect your investment, we are pleased to offer you our Retainer Protection Program.

With our Retainer Protection Program, you can insure your smile far into the future and protect it from unforseen circumstances. For a one time fee of $600 along with a $20 co-pay per retainer, this program offers our patients replacement retainers whenever necessary for SEVEN YEARS! For your convenience, we offer in-office financing for this program. Now you can **worry less and smile more!**

- **$600 Investment**
- **$20 Retainer Replacement**
- **Seven Years!**

You'll receive 3 syringes of **whitening** to use for bleaching with your retainers! You will also receive a Sonic Dental **Ultrasonic Retainer Cleaner** to help keep your retainers sparkling clean

Hassle Free

No more messy impressions! Your teeth are digitally scanned and preserved in the same position as the day your orthdontic treatment is completed. If you need retainers in the future, we can replace them easily and quickly.
